# BOOT CAMP

## ON INNOVATING THE PUBLIC SECTOR

June 6-10 | July 4-8 | July 25-29 | Sept 5-9

Assemble a team of five to seven members to collaborate and put on their thinking hats to generate innovative ideas in creating pioneering solutions to transform the public sector!

This five-day intensive online workshop will help teams unbox solutions to critical agency issues.

# MASTER CLASS

## ON CO-CREATION INNOVATION PROCESS

April 5-8 | May 10-13 | Oct 4-7

Be at the forefront of innovation by unlocking solutions and making ideas happen.

This four-day session aims to advance innovation in the public sector by transforming the delivery of public services and making transactions with the government easier. It will unleash your innovation skills and enhance your awareness of the Co-Creation Innovation Process.
