2019 BUSINESS SATISFACTION SURVEY

"Ano ang sabi ng mga negosyante sa serbisyo ng gobyerno?"

The Business Satisfaction Survey (BizSat) is part of the annual whole-of-government survey being conducted by the Development Academy of the Philippines (DAP) under the Government Quality Management Program (GQMP). The BizSat measures the satisfaction score of Government to Business (G2B) transactions, gives insights on meeting business expectations, and identifies priorities for improving the quality of frontline government service delivery experience.
