IMPROVE WORKPLACE QUALITY
AND PRODUCTIVITY THROUGH
QUALITY WORKPLACE STANDARDS
IN THE PUBLIC SECTOR

This is **Sam Bahay**.
He is a public servant.
He is a practitioner of
5S Good Housekeeping.
He follows the Quality
Workplace Standards
(QWS).

Are you a 5S Good Housekeeping
practitioner or does your
organization belong to one of the
types of workplaces below?

3rd Class Workplace

Where people make
a mess and nobody
cleans up

2nd Class Workplace

Where people make a
mess and another group
cleans up.

1st Class Workplace

Where people don't
make a mess and yet
everybody cleans up.

DO YOU NEED ASSISTANCE IN DEVELOPING YOUR QUALITY WORKPLACE STANDARDS (QWS) ?

The Development Academy of the Philippines - Productivity and Development Center (DAP-PDC), through its Government Quality Management Program (GQMP), assists in establishing the QWS of public sector agencies. Watch out for the publication of the QWS for national government agencies and local government agencies!
